Dear Hilary and Kirstyn

Minor road re-alignment (LUC-2020-405 and RM20.280)

- 1 The applicant advises that it hereby revises the application by realigning the proposed road carriageway to a minor extent to avoid any direct impact on roadside wetlands located adjacent to McLaren Gully Road. The carriageway realignment is entirely within the proposed design footprint for the road design.
- 2 Drawings depicting the realignment are currently being finalized and will be sent to you as soon as they are approved.
- 3 This minor realignment will also be assessed by the applicant's relevant technical experts in their statements of evidence.

Yours faithfully
Anderson Lloyd
