

To use this river, included within the area identified in the QLDC district plan as an Outstanding Natural Feature, after direction by the Environment Court (<https://experience.arcgis.com/experience/80c97d34e5764669bb9aab99e40d5b8d/page/Map-Navigator/?views=District-Plan>) and further as a Wahi Tupuna (<https://www.qldc.govt.nz/media/2imorihh/qldc-district-plan-factsheet-wahi-tupuna-sep19.pdf>) for an industrial activity for up to 13 hours a day for up to 10 years pretty much as happened in the 1800s, is, I submit, inappropriate. That a smaller dredge is possible does not automatically give a much large dredge and associated effects the right to take and impact hectares of waterway.

As outlined in Bendigo Management Ltd submission, there is appears to be little acknowledgement of the NPSFM in the application, nor how those objectives have been achieved by the applications outcomes.

### **Notes to the submitter**

If you are making a submission to the Environmental Protection Authority, you should use [form 16B](#).

The closing date for serving submissions on the consent authority is the 20th working day after the date on which public or limited notification is given. If the application is subject to limited notification, the consent authority may adopt an earlier closing date for submissions once the consent authority receives responses from all affected persons.

You must serve a copy of your submission on the applicant as soon as is reasonably practicable after you have served your submission on the consent authority.

**Privacy:** Please note that submissions are public. Your name and submission will be included in papers that are available to the media and the public, including publication on the Council website. Your submission will only be used for the purpose of the notified resource consent process

If you are a trade competitor, your right to make a submission may be limited by the trade competition provisions in [Part 11A](#) of the Resource Management Act 1991.

If you make a request under [section 100A](#) of the Resource Management Act 1991, you must do so in writing no later than 5 working days after the close of submissions and you may be liable to meet or contribute to the costs of the hearings commissioner or commissioners.

You may not make a request under section 100A of the Resource Management Act 1991 in relation to an application for a coastal permit to carry out an activity that a regional coastal plan describes as a restricted coastal activity.

Please note that your submission (or part of your submission) may be struck out if the authority is satisfied that at least 1 of the following applies to the submission (or part of the submission):

- it is frivolous or vexatious:
- it discloses no reasonable or relevant case:
- it would be an abuse of the hearing process to allow the submission (or the part) to be taken further:
- it contains offensive language:
- it is supported only by material that purports to be independent expert evidence, but has been prepared by a person who is not independent or who does not have sufficient specialised knowledge or skill to give expert advice on the matter.

The address for service for the Consent Authority is:

**Otago Regional Council, Private Bag 1954, Dunedin, 9054**
