nw We wish to **SUPPORT** / OPPOSE / submit a NEUTRAL submission on (circle one) the application of:

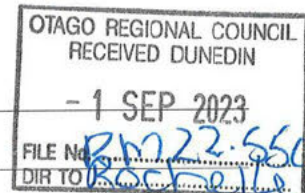

Applicant's Name: Greg and Angela Mirams

And/or Organisation: Onumai Enterprises Ltd

Application Number: RM22.550

Location: 21 Marine Parade, Taieri Mouth, Otago

Purpose: Boat shed + Boat access by pontoon/crane

The specific parts of the application/s that my submission relates to are: (Give details)

The provision of unique types of water access linked to a boat shed with amenities where people regardless of health factors, age and/or disabilities may be able to embark and disembark from boats.

The fact that it would also be available for accidents and emergency situations is an additional benefit to the wider community and of course all those who live or holiday at Taieri Mouth and are frequently accessing the river, the island and the ocean.

(include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

Our submission is from 4 people in their late 70's and 80's who all support the submission wholeheartedly. We are aware that this would be the only "disability crane aiding people into and out of boats" and we see this as an essential community facility in the Otago Harbour area, including Taieri Mouth. This fact also applies to the "all tide floating pontoon" which would be a very valuable asset for Taieri Mouth and the wider community as well.
