Allowing storage units on wharf to be converted to allow temporary accommodation.

My/Our submission is (include: whether you support or oppose the application or specific parts of it, whether you are neutral regarding the application or specific parts of it and the reasons for your views).

① I support the changes to the existing buildings in order to revitalise the wharf precinct. ② It is often only the rich and established generations that have the opportunity to live this close to the water. ③ In allowing small existing units to be converted the wharf has a funding stream to ensure that it is continually kept in repair.

- ④ Appropriate conditions on use can mitigate any potential adverse effects of the temporary accommodation.
- ⑤ Disabled people can have access to the wharf facility and temporary accommodation.
- ⑥ Our family has used the Taries Mouth region for decades for family outings, cycling, fishing and this project is sympathetic to the balance between 'locals' / (fish) owners and allowing the general public to have something more to enjoy about Taries Mouth and the river
