Cr Laws returned to the meeting at 4:02 pm

9.3. Flood Recovery Update

[2:40:36] This report provided information on the October 2024 flood event, response and initial damage assessment and update on the existing 2020, 2022 and 2023 flood repair and recovery programmes. Tom Dyer, General Manager Science and Resilience and Brett Patterson, Team Leader Programme Management, were available to answer questions on the report. There was an addition to the original recommendation.

Resolution CM24-204: Cr Malcolm Moved, Cr McCall Seconded

That the Council:

- 1. *Receives*** this report.
- 2. *Notes*** the recent flood damage from the October 2024 weather event and specifically that the Puerua Training Line infrastructure requires urgent repair.
- 3. *Approves*** the award of a contract to Southroads Limited to undertake urgent repairs to the Puerua Training Line up to a total amount not exceeding \$1,000,000 (excl. GST). This is comprised of the estimate of \$750,000 (excl. GST) and contingency of \$250,000 (excl. GST).
- 4. *Authorises*** the Chief Executive, in consultation with the Chairperson, to award contracts including variations up to a total amount not exceeding \$2,540,000 (excl. GST) for the repairs identified as a priority as set out in Table 6.
- 5. *Authorises*** the Chief Executive and the General Manager Science & Resilience to make payments against approved project progress claims up to a cumulative amount not exceeding \$2,540,000 (excl. GST).
- 6. *Notes*** that the October 2024 flood damage repairs are unbudgeted expenditure in FY 2024/2025 as a result of the flood event and will be funded by scheme reserves.
- 7. *Notes*** the progress with ORC's Flood repair and recovery from the 2020, 2022 and 2023 flood events.
- 8. *Requests*** that staff provide an update on the October 2024 flood repairs and the financial implications to the March 2025 Council meeting.
- 9. *Notes*** that the approval to award a contract to Southroads without a tender process is not in accordance with ORC's procurement policy but it is justified due to the risk created by the flooding damage to the Puerua Training line.

MOTION CARRIED

9.4. Taieri Trails on Floodbanks

[YouTube 3:12:40] This report sought a policy decision from Council regarding the use of its flood protection assets for the establishment of shared use paths (SUP).
