Gravel Pre-application Form

Phone: 0800 474 082 Website: www.orc.govt.nz

Gravel evaluation forms provide an opportunity for us to help you understand river function, form and gravel sustainability on site before you apply for consent. Processing an application for gravel take will be generally simpler, quicker and less costly if the applicant has already sought the council's advice river function, form and gravel sustainability before making an application.

Once completed, this can be attached to your application for consent.

The advice you will receive from Council is limited to the information you provide in this application any further information you may supply at a pre application meeting. Our advice is relevant to the provisions of any plan or proposed plan in existence at the time of the pre application meeting. Council does not accept any legal liability for any advice or view expressed by Council at the pre application meeting and any advice or view expressed is subject to further reconsideration by Council after the application is lodged. Prior to lodging any application under section 88 of the Resource Management Act, applicants are advised to seek their own independent legal and planning advice in relation to all matters related to their application, including those covered by the pre application meeting.

Please note, that any information provided to a council may be required to be disclosed under the Local Government Official Information and Meetings Act 1987, unless there is a good reason to withhold the information under the Act (such as preventing unreasonable prejudice to someone's commercial position).
