Dear Elyse

Amendment to Consent Application RM17.282 Milton Wastewater Treatment Plant Wet Weather Discharge

Following consultation with the Department of Conservation, Clutha District Council wishes to amend the term of consent requested for Consent Application RM17.282 to 10 years, rather than the 27 years that was applied for.

Please advise any other staff working on the application. If you have any further questions please do not hesitate to contact me.

Yours sincerely
