

Otago Regional Council
DIRECTIONS OF THE COMMISSIONERS
Minute 1

Introduction

- [1] Pursuant to section 34A(1) of the Resource Management Act 1991 (RMA), the Otago Regional Council (ORC) has delegated to Independent Commissioners Rob van Voorthuysen, Jayne Macdonald and Alan Cubitt the function of hearing submissions on applications made by Criffel Water Limited (Applicant) for resource consent for the replacement of deemed water take permits in the Luggate Creek area in Central Otago.

Hearing

- [2] The hearing is scheduled for **Wednesday 23 October 2019**.
- [3] The hearing will be held at a venue to be advised at a later date. The hearing will commence at 9am.
- [4] The following directions relate to the hearing:
- Kayla Mahon, our Hearings Administrator, will be in contact with submitters who have expressed a wish to be heard to arrange an order of appearance. The general order will be:
 - Applicant
 - Submitters in support
 - Submitters in opposition
 - Section 42A Report author(s)
 - Applicant's right of reply (which may be given at the hearing or in writing thereafter)
 - A Section 42A Report¹ will be made available on or before **Friday 27 September 2019**, allowing the Applicant and submitters to have regard to its contents when preparing their evidence. It would be extremely helpful to the Commissioners if the Applicant and submitters could indicate in their evidence if they agree or disagree (with reasons) with the Section 42A Report author's recommendations.
 - Pursuant to section 41B(2) of the RMA, the Applicant is directed to provide their expert evidence to ORC no later than **4.00pm on Tuesday 8 October 2019**.
 - If experts for the Applicant intend to base their evidence on technical reports that they authored, and which were included as part of the application, then the experts need not repeat material contained in those reports in their evidence. It will be sufficient for the evidence to cross-refer to that material.
 - Pursuant to section 41B(3) of the RMA, submitters who intend to call expert evidence² in support of their submissions are directed to provide a written statement of that evidence to ORC no later than **4.00pm on Tuesday 15 October 2019**.
 - If submitters intend to provide written evidence themselves, or have non-expert people appear on their behalf, then they are requested and strongly urged to also provide a written statement of that evidence to ORC no later than **4.00pm on Tuesday 15 October 2019**.
 - If submitter evidence to be presented by themselves or non-expert people on their behalf is not provided to ORC by the above date, then those submitters should bring ten (10) hard copies to the hearing.
 - If the Applicant proposes to have legal counsel present opening legal submissions, the

¹ A Section 42A Report includes a discussion of the submissions. It recommends (with reasons) whether the consent applications should be granted or not. That recommendation does not bind the Commissioners.

² Expert evidence is that written by qualified planners, engineers or scientists, for example, prepared in accordance with the Environment Court's Practice Note 2014 for expert witnesses.

Applicant is requested to provide those submissions to the ORC no later than **4.00pm** on **Friday 18 October 2019**.

- All pre-circulated material received will be posted on the ORC website (see below).
- All original submissions and pre-circulated evidence will be taken as read at the hearing. Accordingly, pursuant to section 41C(1)(b) of the RMA, the Applicant and submitters are directed that they and their experts will not be required to read any such material aloud at the hearing. Reading that material aloud at the hearing would be an inefficient use of time as the Commissioners will have already read it.
- At the hearing the Applicant's experts may table and read aloud supplementary evidence responding to any expert evidence lodged by submitters. The Commissioners anticipate that any supplementary evidence will be concise.
- All people appearing at the hearing will be allowed to verbally and briefly highlight key points from their submissions or evidence for the benefit of the Commissioners. The Commissioners will then ask any questions they may have.
- Should any Submitter wish to speak in Te Reo or utilise visual aids (PowerPoint, etc) they are requested to liaise directly with our Hearings Administrator as soon as possible but prior to **Friday 4 October 2019** regarding their needs.

Site Visit

- [5] The Commissioners intend to undertake a preliminary site visit prior to the hearing commencing. Participants are requested to inform the Hearings Administrator by **4.00pm** on **Friday 4 October 2019** of any areas of interest, along with supporting reasons, that they would wish the Commissioners to include within their site visit. A further site visit may be undertaken before the hearing is closed.

- [6] Participants must not attempt to correspond with or contact the Commissioners directly. All correspondence relating to the hearing must be addressed to the Hearings Administrator.
