It is important that in the event of a boat slipping from its mooring, the Otago Regional Council holds up to date information regarding boat names, descriptions and types, so that a boat can be returned to the correct mooring. If you change the boat attached to the mooring, please inform the Council so that we can update our records.

11. Does / will the vessel have sufficient room to swing unhindered? If no, please explain how you will ensure that the vessel will not collide with other vessels.

12. Declaration

- I will ensure that the mooring block, chain and buoy will be completely removed from its current location
- I verify that the proposed new location can adequately accommodate my vessel without infringing on the swinging area of other vessels
- I verify that the proposed location will not impede the safe navigation of other vessels (please attach any comments/confirmation from the Harbour Master confirming as applicable)
- I verify that I will display my mooring tag on the buoy at its new location

Notes to Mooring Owner

- (1) A mooring location may only be transferred if it holds a current Coastal Permit, and is from/to Otago, Karitane, Moeraki or Oamaru Harbours.
- (2) Upon receipt of this form, the Otago Regional Council will inform the applicant in writing of whether the transfer has been approved and, if approved, re-issue the Coastal Permit with amended GPS coordinates. The transfer is subject to the approval of the Council's Harbour Master.
