

Draft Otago Regional Public Transport Plan 2025–2035

The Otago Regional Council is releasing its Draft Regional Public Transport Plan (RPTP) 2025–2035 and is seeking public input from Monday, 24 March to Friday, 2 May 2025.

The RPTP is a strategic document that guides the planning and delivery of public transport services and infrastructure in Otago. It sets out the vision, objectives, and policies for our public transport system for the next 10 years. The plan also considers how we manage recent government changes to our operating environment.

You can read the draft plan and make a submission on it at **orc.govt.nz/rptp**. Hard copies will also be available for viewing at ORC offices as well as district and city councils and libraries. You can also call the ORC on **0800 474 082** for more information.

Submissions close on Friday, 2 May.

Hearings will be held in the week starting 12 May 2025.
