Subject: RE: PORPS 21 - Group 3: Integrated Management

Confidential and without prejudice

Good afternoon all

I am recirculating the finalised position paper for Group 3: IM – Integrated Management. Unfortunately, Queenstown Airport Corporation (who is both an Appellant and s 274 party for Group 3) was inadvertently missed off the emails regarding this topic and also from the email providing the link to the position paper.

They have now had the opportunity to add their position into the paper, now **attached**.
