Environment Court

Christchurch

- 1 Otago and Central South Island Fish and Game Councils (**Fish and Game**) wishes to be a party pursuant to section 274 of the RMA to the following proceedings:

*Te Rūnanga o Moeraki, Kāti Huirapa Rūnaka ki Puketeraki, Te Rūnanga o Ōtākou and Hokonui Rūnanga; Te Ao Marama Incorporated on behalf of Waihopai Rūnaka, Te Rūnanga o Ōraka Aparima, and Te Rūnanga o Awarua; Te Rūnanga o Ngāi Tahu (Kāi Tahu) v Otago Regional Council (ENV-2024-CHC) being an appeal against decisions of Otago Regional Council (**Respondent**) in relation to the non-freshwater parts of the Proposed Otago Regional Policy Statement 2021 (**PORPS**) (**Appeal**).*

- 2 Fish and Game is a person who made a submission regarding the subject matter of the proceedings.
- 3 Fish and Game is a person who has an interest in the proceedings that is greater than the interest the general public has. Fish and Game is a non-profit organisation with functions set by the Conservation Act 1987, s26Q. The primary functions of the Fish and Game relevant to this Appeal are:

26Q(1) The functions of each Fish and Game Council shall be to manage, maintain, and enhance the sports fish and game resource in the recreational interests of anglers and hunters, and, in particular,—
....

(e) in relation to planning,—

(i) to represent the interests and aspirations of anglers and hunters in the statutory planning process; and

(vii) to advocate the interests of the Council, including its interests in habitats: ...

- 4 Fish and Game is not a trade competitor for the purposes of section 308C or 308CA of the RMA.
- 5 Fish and Game is interested in the Appeal in its entirety.

- 6 Without derogating from the generality of the above, Fish and Game is interested in the following particular issues and parts of the proceedings:
- (a) Those provisions related to the integrated management, mitigation and setting of limits:
- IM-O3;
 - IM-P1;
 - IM-P14; and
 - IM-P12.
- (b) Those provisions related to infrastructure generally and compliance with limits:
- EIT-EN-P6;
 - EIT-EN-P9A; and
 - UFD-P4.
- 7 Fish and Game generally supports the relief sought in the Appeal because:
- (a) The amendments require environmental bottom lines and limits to be considered in mitigating and adapting to climate change; and
- (b) The amendments ensure that development of infrastructure and other activities is within environmental limits and the effects management hierarchy.
- 8 Fish and Game agrees to participate in mediation or other alternative dispute resolution of the proceedings.
