Notice of person's wish to be party to proceedings

To: The Registrar of the Environment Court at Christchurch

And to: The Respondent

Name of Person who wishes to be a Party

1 Queenstown Lakes District Council (**Council**) wishes to be a party to the following proceeding:

(a) An appeal by Transpower New Zealand Limited (**Appellant**) (ENV-2024-CHC-35) against the decision of Otago Regional Council on the Proposed Otago Regional Policy Statement (**pORPS**).

2 The Council is a local authority;

Trade Competition

3 The Council is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991 (**RMA**).

The Proceeding

4 The Council is interested in the parts of the proceeding that relate to a bespoke policy framework for management effects of development of the National Grid.

Particular issues and reasons

5 The Council opposes the Appellant's relief for a new policy "EIT-INF-Px – Managing the effects of the development of the National Grid", which is to prevail over any conflicting policies in the pORPS.

6 The Council opposes the relief sought on the basis that a policy sought by the Appellant does not appropriately address all of the important resource issues that are managed within the pORPS. Alternatively, the Council seeks that any new policy for the managing the effects of the National Grid manages effects on Highly Valued Natural Features and Landscapes and in relation to Natural Hazards.

7 More broadly, the Council is responsible for the preparation of a District Plan for the Queenstown Lakes District that gives effect to the pORPS. The Council has recently reviewed its District Plan and this process is ongoing.

8 Accordingly, the Council opposes the relief sought in the appeal and remains interested in the final form of the appealed provisions to ensure that there are no inappropriate outcomes that will limit the Council's ability to properly manage the use, development, or protection of natural and physical resources in its district through the District Plan.

Dispute Resolution

- 9 The Council agrees to participate in mediation or other alternative dispute resolution of the proceeding.
